Home

Built, ready to review

What we do, in one short paragraph · "Who are we helping today?" for families, coordinators and clinicians · All eight services · From your first call to your first shift · Photos and three to five testimonials · Referral form, feedback and phone number

From you: Three to five real testimonials, with permission from each person.

ABOUT MONTICARE 2

About us ◉

Who we are · What MontiCare means: elevating lives, raising possibilities, reaching higher goals · Our mission and vision · Gallery of our work · Testimonials

From you: Photos of your team and participants, with signed consent.

Why choose us ◉

24 hour referral response, 48 hour intake planning · Consistent staffing · Documentation, reporting and risk management · How we communicate with coordinators and families

ACROSS THE WHOLE SITE

NDIS registration number. Shown on every page once the new company's registration comes through. Until then the site says "NDIS provider".

Photos. Your team and participants, each with a signed consent form. Stock photos fill in until then.

Testimonials. Three to five real ones, each with written permission.

OUR SERVICES 8

High intensity and complex care ◉

PEG, epilepsy, wound care, insulin

In-home support ◉

Personal care and daily living

Community access support ◉

Outings, shopping, appointments

Domestic assistance ○

Cleaning, laundry, the house

From you: The household tasks you cover, and any you do not.

Hospital to home transition ○

Getting home safely after a stay

From you: What you do before and after discharge, and how quickly you can usually start.

Supported Independent Living (SIL) ○

Living as independently as possible

From you: Whether you run SIL homes now, where they are, and any current vacancies.

Behaviour and mental health support ○

Steady, understanding support

From you: Which supports you offer today, and whether you work with a behaviour support practitioner.

Transport arrangements ○

Getting where you need to go

From you: How transport works: whose car, and how kilometres are charged.

GET IN TOUCH 4

Make a referral ●

The referral form · What happens after you send it · Phone number for anyone who would rather talk

From you: The inbox that should receive referrals.

Feedback and complaints ○

How to give feedback or make a complaint, with or without your name · What happens next, and how long it takes · The NDIS Quality and Safeguards Commission contact

From you: Who handles complaints, and that the steps match how you work.

Contact ○

Phone, email and address · Areas we cover · Help for interpreters and the National Relay Service

From you: Your office hours, and whether the street address should show.

Privacy policy ○

What we collect, why, and who sees it · How to ask for your information or correct it

From you: That it matches how you store and share information. Send your current policy if you have one.
